

Statement

- Overall, the AI's estimates changed my guess for the better,  
and I would have gained less points without the AI.
- Overall, the AI's estimates changed my guess for the worse,  
and I would have gained more points without the AI.
- Overall, the AI's estimates did not change my guess, and I believe  
I would have gained less points by trusting the AI.
- Overall, the AI's estimates did not change my guess, and  
I would have gained a similar amount of points without the AI.
- Overall, the AI's estimates did not change my guess, but I believe  
I would have gained more points by trusting the AI.
